

Form W-2 Informational Reporting of the Cost of Employer-Sponsored Group Health Plan Coverage

This chart is based on IRS [Notice 2012-9](#), which, until further guidance, contains the requirements for tax-year 2012 and beyond. Items listed as "optional" are designated as such based on transition relief provided by Notice 2012-9, and their "optional" status may be changed by future guidance. However, any such change will not be applicable until the tax year beginning at least six months after the date of issuance of such guidance.

This chart was created at the suggestion of and in collaboration with the IRS' Information Reporting Program Advisory Committee (IRPAC). IRPAC's members are representatives of industries responsible for providing information returns, such as Form W-2, to the IRS. IRPAC works with IRS to improve the information reporting process.
